Motion by Jason Krenn; Second by Mark Katzenberger to approve the minutes of the December 11, 2025 board meeting as presented. Motion Carried.

**PUBLIC COMMENT:**

- Paul Esser wanted to thank Pankratz Trucking and Andy from the Town of Lincoln for scraping the roads the other day because it's often underappreciated. Pete Winstorfer explained what was done to the roads to help the freezing and thawing that's been happening lately.

**CONSTABLE:** Bob Reed reported there were no found cats or dogs in the past month. There was an issue with a dog that wasn't in our Township, but ended up in Rock. It was malnourished and had fleas. Bob took it to MAPS and it was cared for and put out for adoption; however, the original owners now want it back, so Wood County Sheriff's Department is involved.

**PLANNING:** Larry Gilbertson reported one occupancy permit on Hwy B. He received a request for garbage pickup on Patton Dr and referred the resident to Pete Winstorfer. He's been working on and off with Bach Excavating on the CUP hearing – they have paid the fee and completed the application. The restructuring committee received a response from the attorney and are meeting with Emmet from Wood County regarding the Comprehensive Plan.

**FIRE DEPARTMENT:** Bob Reed had several updates:

- The Department needs a new computer because the current one does not have Windows 11 and is no longer supported.
- A 2<sup>nd</sup> AED is still needed, and Pete Winstorfer will check into this and get it ordered.
- RSVPs are needed for the Appreciation dinner being held on January 31<sup>st</sup>.
- The Fire Department held its elections and the following individuals were elected: Assistant Chief, John Schmid; EMS Officer, Bob Reed; Vice President, Jason Krenn; Captain, Jake Bryant.
- Fire Inspections were completed in December.
- There was a fire in the Town of Lincoln in December and our tender was struck by a snow plow. Stainless & Repair will be fixing it and Andy from Town of Lincoln said to send them the bill.
- There are various trainings coming up, including a possible house burn.
- As a result of the Honeywell litigation, some departments were paid out, but Rock was not.
- John Zahradka is working on getting signs for around the Department.
- Some fundraisers are being planned for this year.

**LINDSEY PARK:** There was nothing to report this month.
